Ken Yager at Financial Poise

Description

Newpoint President Ken Yager has been featured in many webinars at Financial Poise.

Ken is the founder and President of Newpoint Advisors and has 25 years of executive leadership experience in stakeholder communication. He has worked with clients in a variety of industries in over 150 engagements. Ken regularly takes on profit and loss and risk-management responsibility for cash-constrained companies in growth, leveraged-buyout, and turnaround situations. He also has successfully worked on implementing hundreds of initiatives involving operations and project management, team building, marketing, and sales and joint-venture management. He is a fierce advocate for capital preservation and saving jobs.
